Individual LED signal to indicate end of curing time

Touch screen panel

Turbine for hot air circulation installed

Other types of textile drying can be constructed

## PRODUCT DESCRIPTION

- Control Panel with TOUCH SCREEN;
- LED Tower for quick visual of machine status;
- Revolutionary Energy Saving mode;
- Individual LED to indicate completion of curing time;
- Automatic Shut down mode;
- Possibility to save up to 5 complete different programs;
- Hot air Turbine with high air intake;
- Drawers covered in fiber glass material;
- Double insulation of dryer to achieved high energy efficiency.
