Note: As características podem ser alteradas sem aviso prévio

Ergonomical and high quality design from holding clamp

Stretching pressure with individual circuits so

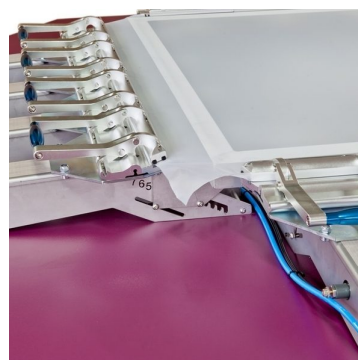

Modular extension possible with increments from 200 mm each

Hybrid screen mesh stretcher available

Tensiometer for mesh tension measurements control available

Possibility to adjust for several screens heights with toolless operation

PRODUCT DESCRIPTION

AVALANCHE CLAMP	Unidades	AVA - 200
Stretching width	Cm	200
Maximum lenght to stretch	mm	80
Height from frame profile	Cm	20 to 55
Maximum mesh tension	N	60
Longueur	Cm	660
Larguer	Cm	230
Hauteur	Cm	150
